

## The Questions Answered in this Study

Week 1:

**We asked:** *What do I do with all this suffering?*

**The answer:** Understand where suffering comes from, and keep it in the dot.

**The principle:** Life is short, and it's gritty because of sin and Satan.

**The life change:** Stop expecting life to be easy.

Week 2:

**We asked:** How does God view us?

**The answer:** God views us as a picture frame, firework, calculator, solidifier and space maker in His eternal story.

**The principle:** We considered was: God asks us to do what is doable by faith, then He shows up to produce miraculous results for eternity.

**The life change:** We see ourselves as playing an important role on earth for the Kingdom.

Week 3:

**We asked:** *How does God grow us?*

**The answer:** We walk in the Spirit and let God show us what our layers are, then we let Him remove them one-by-one by first cleaning our hearts and then obeying.

**The principle:** Every person's life consists of layers of imperfections that God wants to remove. No one is exempt from this process.

**The life change:** We pay attention to the condition of our heart every day.

Week 4:

**We asked:** *How do I live well in difficult relationships?*

**The answer:** Love people with an eternal perspective.

**The principle:** There is no great distance between us and "them."

**The life change:** I am better able truly connect and love a wider variety of people.

Week 5:

**We asked:** *Am I living authentically?*

**The answer:** I don't know, are you?

**The principle:** See people as souls.

**The life change:** Foster all levels of relationship in my spheres of influence so God can make room to point them to Jesus.
